Brandon J Winston: hey

Brandon J Winston: when can you talk?

Kamilah: i dont know, this weekend has kind of turned into a shitstorm

Brandon J Winston: with work?

Kamilah: no!

Kamilah: with you

Brandon J Winston: can we talk then?

Brandon J Winston: i want to do what i can to straighten this out

Kamilah: yeah, i'm just not sure what we would talk about

Kamilah: or how we can straighten anything out without [REDACTED] here

Kamilah: and to be honest, i have no idea how to talk about it

Brandon J Winston: i see. lets get her around here let me know when. Sorry to make trouble for you KW

Kamilah: no i'm a little pissed BJ, you seriously breached my trust

Kamilah: like in a big fucking way

Brandon J Winston: I feel terrible, can we please talk?

Kamilah: i dont know if you can imagine what it was like to explain to [REDACTED] why she woke up with fewer clothes on than she fell asleep in, or that she may have been touched in her sleep, and that you probably fingered her

Kamilah: and i've been thinking it over and over, and i dont know how you can excuse any of that

Brandon J Winston: I can't - it was reckless of me and I apologize.

Brandon J Winston: K - I remember it better now, there wasn't any real touching going on, no fingering, I took her shirt off and then passed out - the next day i was still so wrecked I couldn't remember it very clearly

Kamilah: seriously?

Kamilah: and her bra, and her jeans?

Brandon J Winston: yes

Kamilah: and how was any of that okay when you saw how wrecked she was at middlesex?

Kamilah: and when she passed out the moment we got into my apartment?

Brandon J Winston: it wasn't i'm sorry it wasn't i was hoping she would wake up but when I realized she wasn't I quit it.

Kamilah: when is it EVER okay to initiate something with someone while she's asleep?

Brandon J Winston: never, I was seriously wrecked and I went too far

Brandon J Winston: I wasn't trying to force her I know it sounds like it, I was talking to her the whole time and she was talking back, but in that passed-out mumbling way that is essentially being asleep and I was totally reckless i know

1:30 PM

Brandon J Winston: im sorry

1:53 PM

Kamilah: did you do anything with me when i was asleep?
